

Reminder:

If you have not yet received the Dependent Verification Package you need to call the Dependent Verification Center at 1.877.489.2367.

You must respond to this Audit and take the appropriate action. This is not just to verify that your dependents are listed and accurate. You must prove eligibility for everyone who you have listed as a dependent. The Dependent Verification Center can assist you with what is necessary to prove eligibility, and how to obtain the necessary documents. The company has agreed to not look back on anyone who removes an ineligible dependent in the first phase of this process.

As always if you have any questions see your DVP or call the local.
